Omicron 'only mild disease' reports doctor

ONE of the first South African doctors to spot that a new COVID variant was spreading says the country is seeing mainly "mild disease" and low death rates.

Dr Angelique Coetzee, chair of the South African Medical Association – and a GP for 33 years – says the majority of people in hospital in South Africa are unvaccinated and intensive care units are "not overwhelmed".

Speaking to the UK's science and technology committee of MPs, she says Omicron was first detected a month ago.

Dr Coetzee (above) says patients she had seen recovered in around five days.

She added that in the past week, there had been fewer than 50 COVID deaths per day and the number of positive cases had stayed stable and not increased.

COVID keeping kids off school

SCHOOLS are seeing "very severe low attendance" among pupils and teachers ahead of the Christmas break as Omicron spreads.

Geoff Barton, of the Association of School and College Leaders, said one school has had around 25% of its staff off for three weeks.

Mr Barton said: "You are getting some pockets of very severe low attendance, partly young people, partly staff."

"One's had 25% of staff off for three weeks. You can imagine if you can't get supply teachers that becomes very difficult."

Jobs on rise despite end of furlough

THE number of people in work jumped by a record 257,000 last month, according to official figures.

The Office for National Statistics (ONS) said there is "still no sign" that the closing of the furlough scheme has affected the jobs market, with the number of UK workers on payrolls rising by 0.9% between October and November to 29.4 million.

The unemployment rate fell once more, to 4.2% in the three months to October, which is the lowest rate since spring 2020 and down from 4.3% the previous quarter.

Vacancies jumped to another new record – up 184,700 to 1.22 million between September and November.

But it comes amid fears over the impact on the economy of the Omicron variant of coronavirus and new restrictions to control COVID-19.

All eyes will now be on the Bank of England on Thursday to see if it will hold off on an interest rates rise in light of the latest figures.

It's all change for bus firms

BUS and coach group National Express has agreed a takeover of rival Stagecoach.

It will create a combined firm worth around £1.9 billion with a fleet of about 40,000 vehicles and a workforce of around 70,000 people.

Under the terms of the tie-up, National Express shareholders would own around 75% of the combined group and Stagecoach shareholders around 25%.

Martin Griffiths, chief executive of Stagecoach, said: "This is an exciting opportunity to bring together two of the UK's iconic transport brands to create a strong, diverse business that is well-placed to grow the market for greener and smarter public transport for the benefit of all."

By-election defeat tomorrow 'could finish' Boris

By **SIMON DEAN**
news@sundaysport.co.uk

BORIS Johnson's time in Number 10 could be over by Christmas if, as expected, the Tories lose the North Shropshire by-election tomorrow.

Bookies make the Lib Dems favourites to win the former ultra-safe Tory seat, which became vacant after former minister Owen Paterson was forced to resign in disgrace over sleaze allegations.

Claiming the by-election is on a "knife edge", Lib Dem leader Sir Ed Davey, claimed Tory voters feel they have been "taken for granted".

After the Liberals' surprise

win against the Conservatives in Chesham and Amersham earlier this year, he said: "We've had good by-election victories over the years – this would be off the scale." Given the Tories have held the seat for almost 200 years and won a 23,000 majority at the 2019 general election, a defeat would be a stunning blow for the prime minister and raise questions over his leadership.

A by-election loss would "finish" Boris, according to one Tory MP, coming after the so-called Partygate row and the

rebellion in the Commons yesterday over the PM's "Plan B" restrictions.

Our source said: "The Tories are ruthless. Boris only got the leadership because he was a proven winner, something borne out by his general election victory two years ago. "But two years is a hell of a long time in politics."

Miracle

"The fact is that Boris has become a liability and people do not believe a word he says, which is particularly serious at the time of a pandemic."

"Bar a miracle unprecedented in political history, he's finished if North Shropshire is lost."

Tory MPs disgruntled with

their party's leadership can submit no-confidence letters to the 1922 Committee of back bench Conservative MPs.

Party rules state at least 15% of sitting Tory MPs must write a no-confidence letter to make a leadership challenge possible.

This figure equates to 54 needing to submit a letter to 1922 Committee chairman Sir Graham Brady.

Letters are handed in confidentially, so no accurate total of how many have been submitted to Sir Graham is available.

Insiders say that the number of no confidence letters so far handed to Sir Graham is in the "low teens".

DID DIANE ABBOTT TEACH YOU MATHS?

DEPUTY Prime Minister Dominic Raab has caused confusion by wrongly saying there were 250 people in hospital with Omicron when the latest figure was just TEN!

Mr Raab (left) appeared rattled when he issued a correction to the statistics for England after twice giving the wrong number.

His first figure to Sky News of 250 was alarming because that was up by 240 on the number

announced a day earlier by the UK Health Security Agency.

After describing the levels of people in hospital with Omicron as being "significant", Mr Raab was pressed over the scale.

"Last I saw it was in the low hundreds, 250 the last time I looked, but of course the data is being updated all the time," he told Sky.

Minutes later, he told

BBC Breakfast: "I know we've had one death. I think we've got nine people who are in hospital with it."

Health sources say the figure is actually 10, pending an update.

The Deputy PM's exaggeration of the figures was around 2,500 PER CENT.

One observer said: "Did Diane Abbott teach Dominic Raab how to do sums?"

Instagram influencer received
'hundreds' of obscene photos

I DON'T WANT TO SEE YOUR COCK 'n' B&B'S!

That's the message from glamour babe Jess Davies who says she has been the victim of cyber-flashing for the last 10 years.

Jess, who is also a social media influencer, said she has received HUNDREDS of unsolicited obscene images.

Calls are growing for cyber-flashing to become a crime as part of measures to toughen laws on online safety.

The UK Government said its plans would "force social media firms to stamp out online abuse".

Jess, from Penarth, Vale of Glamorgan, who has 151,000 followers on Instagram, said she has become almost "numb" to the images she is sent, adding: "What's illegal offline should be illegal online."

Close-up

"I am cyber-flashed every month, maybe more, depends really on what I share."

"This has been going on for 10 years."

"I've received literally hundreds of images. The kind of stuff I get is close-up shots, or of them performing a sex act."

By HARPER HAYES
news@sundaysport.co.uk

"When I receive the images it makes you feel a bit dirty and you start thinking, 'Why me? Why have they sent them to me, is it something I have done?'"

She also fears it has become "normalised" online, compared to what is tolerated in public.

Jess added: "If you had thousands of men flashing you in the street, that's illegal, and that would be a huge problem and a huge conversation, so why are we accepting it online?"

Cyber-flashing has become increasingly common during the pandemic as people spend more time online.

Nana Baubles breaks record

A GRANDMOTHER from Swansea has broken a world record for the largest collection of Christmas baubles.

Sylvia Pope, fondly known as Nana Baubles, is the proud owner of 1,760 festive ornaments, a total recognised by Guinness World Records, but hopes to reach 2,000 by the new year.

Mrs Pope, who turns 79 on Boxing Day, spends months hanging the decorations every year, starting in September to ensure the house is complete in time.

The collection includes ornaments from around the world, from memorable trips to Harrods, Macy's in New York and from her local shops in Swansea.

JUST months after his split from Pussycat Doll Nicole, Lewis was photographed having dinner and dates with reality TV star Kendall in New York, Cannes and Monaco.

NICOLE SCHERZINGER

THEY were the celebrity couple de jour but split after eight years in 2015, with Lewis hinting that his punishing and globe-trotting lifestyle meant it had become impossible to keep the spark alight.

FORGET face masks, COVID passports and if Boris Johnson will keep his job...

The real question splitting Britain today is: was Lewis Hamilton ROBBED?

The Stevenage-born F1 ace lost the drivers' championship on Sunday in a thrilling Abu Dhabi Grand Prix.

Max Verstappen clinched his maiden F1 world championship with a thrilling last-lap overtake of Hamilton.

The Red Bull driver stormed past title rival Lewis in the closing stages of the race, having benefited from a late safety car that bunched up the pack.

Confusion reigned as race director Michael Masi changed his mind to allow lapped cars to pass the safety car, meaning Verstappen had a clear run at Hamilton in the final lap and, on much faster tyres, made his move to claim a first F1 title.

Mercedes immediately launched appeals, one against Verstappen for allegedly overtaking

SOFIA RICHIE

He was also omitted from the shortlist of six sporting stars for the BBC Sports Personality of the Year which takes place on Sunday.

Lewis is the most successful F1 driver of all time in terms of most race wins, pole positions and podium finishes.

He'll also receive his knighthood at Windsor Castle today for services to motorsports, becoming the fourth F1 driver to be recognised with a knighthood, after Sir Jackie Stewart in 2001, Sir Stirling Moss in 2000 and Sir Jack Brabham in 1979.

However, if you're feeling at all sorry for soon-to-be Sir Lewis, just have a look at the top minge he's been linked to...

Vid perv caged for urinating on the Tube

A "VILE" man paid by OnlyFans subscribers to video himself performing sex acts and urinating on London Underground trains has been jailed, police said.

Nikki Darke, 37, of Earlham Grove, east London, posted videos on the social media platform under the pseudonym "public pisser", say British Transport Police (BTP).

OnlyFans – often used by sex workers but also some celebrities – allows "creators" to share pictures and videos with paying subscribers.

Darke also posted videos on Twitter.

Indecent

Inner London Crown Court heard how he committed multiple indecent acts, including urinating on seats and masturbating in front of passengers while on the Piccadilly line between February and July.

He was arrested after being spotted by plain clothes police officers.

The seizure of his mobile led to the discovery that he also

used his online accounts to obtain indecent images of children.

When asked about the content he was sharing, he replied: "It's me doing really stupid things in public places."

He added that he earned money by taking requests.

"The people that pay, that's what they want to see," he explained.

Darke was charged with making indecent images of children, outraging public decency and criminal damage.

He was sentenced to 16 months in prison and

handed a 10-year Sexual Harm Prevention Order – banning him from taking photographs or videos in public.

Christopher Pretty, of BTP, said: "This was a foul and frankly absurd case, and I'm pleased to see such a vile offender taken off the network."

"It's clear Darke's actions were for his own selfish amusement, yet passengers were subjected to witnessing his odious behaviour."

"We reprimanded Darke for the damage he caused to railway property and indecent acts he was committing, but also for the utterly indefensible indecent images he gathered."

The *MasterChef* host, 57 (left), said trainer Danny Rai encouraged him to wear more form-fitting clothes and shun the shapeless outfits he'd worn when he was much heavier.

He said: "When I was bigger I used to wear loose shirts and Danny said, 'You should wear tight T-shirts now'."

"So I asked my wife, 'Could you go online and buy me some tight T-shirts?' because I don't know how online works. 'I told her Danny likes me wearing tight T-shirts and she went, 'Really? What else does Danny like you wearing?'"

Rocket scientists 'not that clever'

BRAIN surgeons are not super brainy and rocket science? Well, it's not rocket science!

Members of both professions aren't necessarily more clever than the general public.

Researchers asked 329 aerospace engineers and 72 neurosurgeons to complete tasks to test their brain power.

The results, published in the *British Medical Journal*, show few differences with members of the British public.

Rocket scientists were no more clever than ordinary folk.

Neuroscientists scored differently in only two areas: their problem solving speed was quicker, but their memory recall was slower.

The types of fraud seen as "reasonable" by those surveyed include selling a vehicle that was subject to a finance agreement and false insurance claims.

The most common forms of first-party fraud recorded involved the misuse of bank accounts.

Leo's 'issue' with Meryl's movie streak

THE director of new Netflix movie *Don't Look Up* claims actor Leonardo DiCaprio "had a problem" with a nude scene featuring Meryl Streep.

In the film, which also stars Jennifer Lawrence, DiCaprio, 47, plays an astronomer struggling to warn Earth's leaders about an impending comet that will destroy us.

Director Adam McKay was asked about Streep's role in the film and about a scene in which her character, President Janie Orlean (*above*), is naked but played by a body double.

Adam said: "She is fearless, and yes, that is a body double. But you know who had a problem with it? Leo. He just views Meryl as film royalty... although maybe royalty is not a compliment... but as such a special figure in the history of film."

"He didn't like seeing her with the lower back tattoo, walking for a second naked. He said, 'Do you really need to show that?'"

CCTV called for in Iceland 'flasher' case

CCTV evidence may help resolve the case against a woman accused of exposing her genitals in a supermarket.

Entering pleas of not guilty on behalf of Rosemary Teresa Travers, 40, at Newry Magistrates' Court, Northern Ireland, defence solicitor Gerald Trainor said the case "might resolve" if he is able to watch CCTV footage.

Prosecution said there was a delay in providing the footage and it was unlikely to be available until the New Year.

In addition to being accused of exposure in September, Ms Travers is also accused of using disorderly behaviour at an Iceland store on the same date.

Ms Travers, of Newry, did not attend the brief hearing, which was adjourned until January.

But when the charming snaps were shared on the *Daily Mail*, they attracted the attention of PERVS.

One user called Mr Abs posted: "Thanks *Daily Mail*. I need to wash my hands now", suggesting that he found Arabella's pictures so stimulating he furiously masturbated his COCK until SPUNK gushed over his frenzied fingers.

And another reader channelled *Star Wars*, almost echoing Obi Wan Kenobi's famous line by commenting: "I feel there's been a strange disturbance

And yet another reader suggested he could smell Arabella's "sweet clunge" while another said he would "snack on that ass for days".

Last night a friend of the blonde said: "Arabella does not post these pictures on the internet to provoke men to masturbate their hard, veiny cocks to the point of spurting great sticky ribbons of scalding hot spunk.

Students 'robbed' of sex by COVID

STUDENTS are blaming the pandemic for robbing them of their sex lives, a new study shows.

According to the National Survey of Sexual Attitudes and Lifestyles COVID study, which has yet to be published, people in their late teens and 20s are complaining that coronavirus has kept them celibate.

Prof Kirstin Mitchell, of Glasgow University said: "We found after one year of the pandemic, people reported fewer partners, fewer new partners and less frequent sex. This was especially the case for young people."

She went on to say that typically young people might have started having sex for the first time while at university, adding: "There is that cohort of young people for whom that period of sexual development and gaining new sexual experiences is a lost year, and what effect that will have in the longer term we just don't know."

NETFLIX was barred from using posh Eton College as a filming location for *The Crown* after the streaming giant was accused of publishing a 'sinister' tweet about the Royal Family, it has been revealed.

The £14,000-a-term all boys school in Windsor, Berkshire, said it wanted nothing to do with the hit series, which chronicles the lives of the British monarchy throughout the 20th century.

It comes after senior palace sources reacted with anger in December last year after Netflix posted a tweet inviting viewers to watch a documentary on Princess Diana which they claimed would provide 'answers' to criticism of its flagship drama.

Critics had said *The Crown's* account of the breakdown of Prince Charles' marriage to the Princess of Wales was 'distorted and at times downright inaccurate'.

"Eton didn't want anything to do with *The Crown*," a source at the 581-year-old school said.

"It's very much aware of the criticism of the series."

MUM POSED AS OWN DAUGHTER TO CHASE TEEN COCK

NICKED: Police

SCAMMER:
Laura Oglesby
pretended to

By **BRAD CHADWICK**
news@sundaysport.co.uk

A LUST-crazed mum posed as her own DAUGHTER, pretending to be 20 years younger just to get some stiff young COCK!

Laura Oglesby is now facing jail after she admitted stealing her estranged daughter's identity to secure student loans, enrol at college and pursue her racy co-ed sexual fantasies.

The 48-year-old posed as daughter Lauren Hays for more than two years in an elaborate scam that fooled both the federal government and locals in the town of Mountain View, Missouri.

In 2016, Oglesby applied for a Social Security card in Hays's name, which she received in the post.

Oglesby, who originally hailed from Arkansas and was then aged 43, assumed her daughter's identity, saying her name was Lauren Hays and that she was 22.

The fraudster even started seducing unsuspecting men in their early 20s, who had no idea Oglesby was almost two decades older than she said.

"Everyone believed it. She even had boyfriends that believed she was 22," Chief Jamie Perkins of the Mountain View Police Department said.

Oglesby even had her own Snapchat account where she pretended to be Hays and posed with an array of youthful filters over her face.

"She had completely adopted a younger lifestyle... clothing, makeup and personality. She had completely assumed becoming a younger person in her early 20s," Detective Stetson Schwien said.

She went on to apply for financial aid and received thousands in loans and grants.

Oglesby is now facing five years behind bars without parole after pleading guilty to intentionally providing false information to the Social Security Administration.

After the crash, the driver of the SUV walked onto the interstate and began to strip and was completely nude by the time cops arrived.

The man peacefully surrendered to deputies and was taken to a nearby hospital for further evaluation. He did not suffer any major injury.

LUCKY DINER GETS GOBFUL OF PEARLS

A LUCKY woman discovered 12 glistening pearls inside an oyster she was devouring.

After gulping the contents of the shell at Superior Seafood, New Orleans, teacher Keely Hill (*below*), 32, found the baubles – and choking hazards – in her mouth with enough time to safely spit them out and behold the treasures from the deep blue.

"I bit it in half and felt them on my tongue...it was such a bizarre experience," Hill said. "I definitely ate one, I crushed it in my teeth."

The dozen BB-sized pearls surprised Superior Seafood oyster shucker Jay Gallet, who said: "The most I ever got was nine."

"I was shocked," added the server, who opens about 2,500 oysters daily and finds a pearl or two a week on average.

Hill used to hate shellfish, and even described them as "a slimy bivalve".

But now, she is "in contact with a lot of oysters" and even ate both raw and grilled ones at another restaurant earlier on that fateful day.

"It's not as gross as it appears," she recalled.

A MAN was detained by police after running through a town centre NAKED on Sunday.

It happened down Barnstaple High Street in Devon, at around 12pm when the man was seen jogging along the road with no clothes on.

The force added that they would encourage members of the public not to share images or video on social media linked to the incident given the circumstances of the case.

HE KILLED THEM... HAD SEX WITH THE CORPSES

**THE WORLD'S MOST EVIL MURDERERS
AND THE HORRIFIC CRIMES THAT SAW
THEM SENTENCED TO EXECUTION...**

TAKE a trip down the Tamiami Trail – a 200-mile stretch of road between Tampa and Miami, Florida – and the sense of danger is palpable.

The road cuts a line through the Everglade Swamps where deadly alligators and pythons line the edges of the tarmac, waiting to drag unsuspecting passers-by into the murky waters.

But between September 1994 and January 1995, there was another good reason not to linger on the road... because Rory

By **KOURTNEY KENNEDY**
news@sundaysport.co.uk

Conde used it as a hunting ground for his victims.

Each one had been choked to death.

On the third body – that of Charity Nava, 21 – he'd even triumphantly scrawled 'Third!' on her back in black marker, adding 'See if you can catch me!' as a crude taunt to the police, who were clearly looking for a particularly twisted kind of serial killer.

And in a final act of depravity and inhumanity, court papers

reveal Conde then had anal sex with their corpses.

It's a miracle Conde's final death toll doesn't stand at seven rather than six.

He was only snared when another woman – who had been stripped, bound and gagged in his apartment – made enough noise by banging on the walls that it alerted neighbours, who called the police.

In the end, when confronted with his ghastly crimes, Conde admitted his guilt and was sentenced to death at the Miami-Dade County Supreme Court on March 7, 2000.

His ex-wife Carla and their two children, Rory Jr and Lydia, now face an agonising wait to see when the monster will eventually be executed.

Addict

For the time being, the 51-year-old sits on Death Row at the Florida State Prison.

Miami-Dade Police Captain Nelson Andreu – the man who put evil Conde behind bars – says the prostitute addict blamed escorts for the breakdown of his marriage to Carla, who he wed in 1987.

Capt Andreu suspects Conde genuinely believes he did the world a favour by ridding it of these tragic sex workers.

He says: "Conde's wife of many years lived in constant fear of beatings and abuse at his hands.

"The couple had several children and Conde had trouble visiting them as he tried to reconcile with

his estranged wife. In his confession, he blamed the prostitutes for his failed marriage and for losing his children.

"Conde was not a typical serial killer in that he did not apparently achieve any sexual gratification in torturing or beating his victims.

"Yet he did achieve a peculiar satisfaction in his perception that he was ridding the world of the type of woman who had caused his family life to disintegrate."

Born in Barranquilla, Colombia, Conde moved to Miami when he was 12 years old.

But following a horrendous upbringing, he was emotionally damaged.

His mother had died when he was just a tot, having contracted tetanus following an abortion procedure.

He was then adopted by his grandmother, Maria Kojas, before eventually landing at the door of his abusive father, Gustavo Conde.

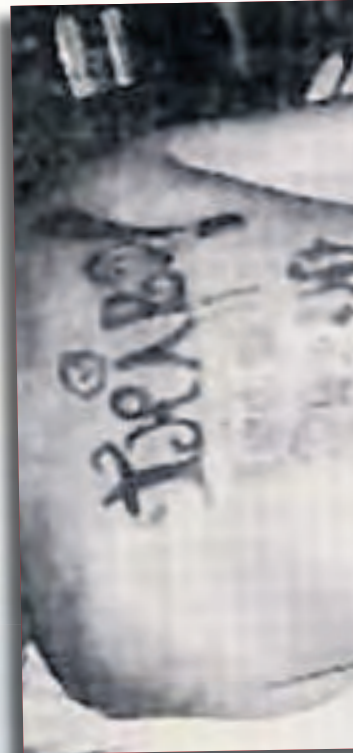

Things got worse. Conde was sexually abused by his uncles, Carlos and Alfredo – acts that tormented him to the point of suicide.

Somehow, despite the horrors he'd lived through, he settled down with Carla and landed himself a respectable job as a building trade supplies salesman.

Yet trouble was lurking just around the corner.

In 1992, Conde landed

FOR womaniser Rory Conde, it was the ultimate humiliation. After having sex with a prostitute, he discovered he'd actually just slept with a cross-dressing man. And as an unstoppable fury bubbled up inside him, the prostitute paid with his life. But that was just the start of a five-month killing spree that only ended after five women had been brutally strangled...

in jail after assaulting Carla – they'd rowed when he'd had the temerity to bring two hookers to the house they shared.

By this point Conde was brazen in his use of prostitutes to appease his over-active sexual appetite – Carla had long since ceased to have sex with him.

Divorce

The final straw for Carla came in 1994. She discovered a video containing footage shot in Conde's bedroom of another woman touching herself sexually while dressed in Carla's pyjamas.

She moved out and filed for divorce, taking their children with her.

Conde was apologetic with rage. He sought solace in paid-for sex.

A month after Carla left him, he picked up a woman on the Tamiami Trail before paying her

for oral sex in his car. It was only after the sexual encounter that he realised this lady was actually 27-year-old male transvestite Lazaro Comesana.

Fuming at being duped, Conde throttled the life out of Lazaro with his bare hands.

He then re-dressed the body, placed it in his car and drove to a middle-class district.

There, he dumped the corpse in an area where it would be quickly discovered the following morning.

Court documents reveal: "Conde killed him out of his anger about Lazaro Comesana's deception and his belief that his wife and children had left him because of his use of prostitutes.

"He described kneeling over Comesana's body for 10 minutes while he blamed him for the loss of his wife and children.

"He then made the sign

of the cross over the body." This heinous act opened the floodgates on Conde's craving for blood.

In October 1994, Elisa Martinez, 24, became his second victim.

She was strangled before being tossed out of a car onto the roadside on the Tamiami Trail, where she was found by horrified passers-by.

Spree

A third murder followed in November in the form of Charity Nava, a 26-year-old sex worker.

Cops now had no doubt they were dealing with a spree killer.

On Charity's buttocks Conde had scrawled 'See if you can catch me' and on her back was written 'I will call Dwight, Chan 10' - a reference to a popular news anchor and TV station.

Conde was getting

cocky, convinced cops had no evidence to even suspect he was the killer.

He'd even boasted to co-workers about the so-called 'Tamiami Trail Strangler', saying: 'He's a smart guy, they won't get him.'

Capt Andreu adds: 'Conde had sex with all of his victims and would strangle them during the act.'

'The women were not beaten or brutalised, they were all strangled with little other trauma.'

'After killing his victims, he would often talk to the corpses, as though by such taking of extreme control he had made them 'his'.'

'He would always re-dress the women after killing them and discard their bodies in locations where they would be easily discovered.'

'When we found the second victim, we suspected a serial killer

but were not 100 per cent sure.

'But with the third victim, Conde wanted the police to know and inform the media that he was responsible for all three killings.'

'Two more deaths followed in quick succession.'

Wanda Crawford, 31, and Necole Schneider, 29, both succumbed to Conde's fingers slowly squeezing the life out of them.

Depressed

Meanwhile, estranged wife Carla - who still allowed Conde to visit their kids - describes how he suddenly appeared to be 'sickly and depressed', as if the weight of the world were on his shoulders.

On January 12, 1995, Conde claimed his final victim, 21-year-old Rhonda Dunn. She did not go to her grave without a fight.

Circuit Judge Jerald

Bagley told the court: 'Undoubtedly, the sudden realisation and fear that she was fighting for her life against the man who had committed murders of five prostitutes made her death heinous and atrocious.'

'She had suffered 30 injuries, indicative of the victim putting up a violent fight with the defendant.'

'The body was disposed kerbside as if it were trash.'

Only the bravery of Gloria Maestre ended Conde's unrestrained violence.

She was abducted, taken to Conde's flat and repeatedly raped while bound and gagged head to toe in duct tape in June 1995.

But when Conde left the flat - to attend court for shoplifting - Gloria hammered on the walls, alerting neighbours to her plight.

She identified Conde

as the man responsible for raping her, while his DNA was later linked to all six victims.

Defence lawyer Jeffrey Pink tried to portray Conde as a good man who'd snapped.

He pleaded: 'Rory's life fell apart when he went to a prostitute who turned out to be a man.'

'In a very real sense, he was put on a track when he was abused as a child that was impossible for him to turn away from any more.'

Atrocities

But jurors didn't buy it and Conde was sentenced to death for the murder of Rhonda Dunn and to life in prison for the other murders, having struck a plea bargain.

Capt Andreu summed up: 'Certain serial killers take additional and special delight in flaunting their atrocities. Conde is such a person.'

INSTA BABE RIPPED OUT MUM'S HEART Influencer is sent to looney bin

LOCKED UP:
Anna (right)
killed her
mum (below)

By BRAD CHADWICK
news@sundaysport.co.uk

AN Instagram star who ripped out her own mum's beating heart and smeared herself in gore during a crazed knife attack has been sent to the nuthouse.

Anna Leikovic, a 21-year-old medical student from Comrat, Moldova, proceeded to wash the blood off in the shower and go to meet her boyfriend for a date. She has now been ruled not responsible for her actions through being bonkers.

The incident occurred after Anna Praskovya returned from a work trip to Germany only to find her daughter was addicted to drugs.

She confronted her daughter and said that she would have to go to rehab and clean up her act, causing Leikovic to fly into a murderous rage.

As the 40-year-old woman was dying, she became the victim of a gory and frenzied death.

Mrs Praskovya was still alive when her enraged daughter cut out her heart.

The daughter then cut out her mum's internal organs, including her lungs and intestines, with a kitchen knife, then smeared herself in her mum's bloody entrails before taking a shower to wash away the guts.

Leikovic then went to

her boyfriend's house and asked him to drink champagne before then telling him "very calmly" that she had murdered her mother.

The boyfriend then waited for her to fall asleep and went to her house to see if the disturbing allegations were true.

The young woman's grandmother later said that she "did not obey" and that she led an "immoral lifestyle" and was an abuser of alcohol and drugs.

The law in the former Soviet state of Moldova prevents a woman from receiving a life sentence.

A forensic psychiatric examination showed that due to her mental state Leikovic was "not able to correctly perceive the circumstances that are important for the criminal case" and she was unable to testify.

The court accepted that while she did carry out the crime she was not criminally responsible for her actions.

JAUNTY Georgie Darby has shared her lesbian FINGERING secret.
Georgie, from Guildford, Surrey, revealed it all kicked off at a pub near her home.
The 32F stunna said: "I was with my friend Michelle, who I've snogged loads of times in the past, on an all-day session."
"We got talking to another girl called Helen in a pub beer garden and soon the three of us were flirting like mad."
"We decided to have a kissing competition to see who was the best kisser and pretty soon things got out of hand."
"Michelle fingered me under the table and I got Helen's boobs out and started licking them."
"The three of us ended up back at mine and I hitched up Helen's skirt, pulled down her knickers and started licking her."
"Then Michelle pulled my trousers down and started fingering me."
"I was already soaking wet, so she easily had three fingers inside me."
"What a day!"

are TOO STUPID
for debate**YOU'RE almost likely never to have listened to it, but BBC Radio 4's *Today* show is considered one of the most influential in the country.**

It's where the Beeb's usual suspects line up to batter the shit out of the Prime Minister and all he stands for.

Impartial, it most definitely is not. But in fairness, it's done that to most prime ministers down the years.

Labour's Tony Blair also got a right going over when it was revealed his communications mad dog Alastair Campbell had "sexed up" the case for invading Iraq.

At the time, the editor of the breakfast programme was a chap called Rod Liddle, who can these days be found writing newspaper and magazine columns.

Rod isn't afraid of ruffling feathers, and quite rightly doesn't give a toss about whichever delicate mind is finding it too difficult to hear what he has to say.

The latest are a bunch of limp-wristed students at Durham University who decided that Our Rod was just too much for their lilac-coated minds.

Tolerance

He was at the uni to make a speech about tolerance, and about how important it is to at least listen to those you disagree with.

It's a simple concept, obviously, but only to those who don't spend their lives at university, places where once upon a time it was all about discussion, debate, and lots of drugs and drink and shagging.

Not anymore.

Now, our seats of learning are merely buildings stuffed full of everyone sharing the exact same opinion, and we betide you if you attempt to swim in a different direction.

For instance, as a jokey aside, Rod said he was a bit disappointed

not to see any sex workers in the crowd.

Which isn't controversial at all when you consider the uni had recently offered guidance to those students who had a side-line in opening up their legs for cash.

But no. This was seen as taking things too far.

Which is funny, they will take a stranger's cock up to the hilt in return for a tenner or two but listening to someone that they don't necessarily like very much will make their heads explode.

This is where we are now, literally living in a land of make believe.

We HAVE to pretend gentlemen who have decided later in life to wear dresses and makeup are, in fact, ladies.

Fact, that is, as against the fiction it most certainly is but that they promote in

DOESN'T GIVE A
TOSS: Rod Liddle

any case.

That doesn't make someone "anti-trans", as the usual suspects will always bleat, in any way more than being concerned about people drowning to death in the English Channel makes them racist.

Irony

So the irony of a free speech campaigner, a man who wants to promote tolerance and understanding with people you don't agree with, being booted off a campus by adherents of everything The Smiths ever produced until their beloved Morrissey backed Brexit, is palpable.

These useless cretins used to be people being set up to run the country.

Now?

Not even a f**king fairground ride.

THE WORLD FAMOUS AGONY

Page

Dear Ashleigh,

I'M a 38-year-old fella and have been single since divorcing my wife a couple of months ago... and I've also been horny as f**k!
I decided to do something about it and soon I met a fit 28-year-old blonde down at my local.
After a few drinks she began rubbing her hand up my leg and even patted my cock when no one was looking.
I whisked her back to my place and I had barely closed the front door before she had my cock out of my trousers and down the back of her throat.
Within a few moments we were shagging each other silly in all kinds of positions and we finished off by enjoying furious anal on the kitchen floor.
The problem is I haven't exercised in years and now I think I've buggered my back.
Am I too old for this nookie lark?

PJ, Lancs

Ashleigh says...

AT least you have ONE muscle thaats working fine!

Dear Ashleigh,

I HAVE been with my girlfriend for a year and I thought we were getting on great – in and out of the bedroom – until a few weeks ago.
My girlfriend is quite good friends with one of her exes and they still spend time together.
I didn't mind because he seems a decent enough bloke and he told me he'd never do the dirty on me and even gave me tips on what really turns her on sexually.
But our relationship changed when we all went to the gym together the other day because, in the changing room, I discovered her ex is hung like a donkey.
He is double the size of me, I was shocked and it made me think I am not satisfying her like he did.
The situation is really freaking me out and it's starting to affect my performance in bed. What should I do?

NC, Norfolk

Ashleigh says...

HOW many times does it have to be said... it's not the size, it's what you do with it that co:unts.

I gave older and bolder blonde a special delivery

Dear Ashleigh,

I WORK for a parcels service and female customers love my special deliveries.
Most of my contacts are housewives whose husbands are at work.
My favourite is a 45-year-old fit blonde who is older, wealthier and knows loads of tricks.
I took a parcel the other week and she whisked me in before I could even ring the doorbell.
She was wearing a tight blouse and a short skirt, exposing her bronzed bare thighs.
I went straight for her half-open blouse and slipped

it off before unclipping her bra and freeing her boobs.
As I played with them, she slipped to her knees, pulled out my eight-incher and began sucking it.
Soon we were both naked and I shagged her standing up in the hallway until we had simultaneous orgasms.
Now she's desperate for me to make a return visit, but I'm worried about losing my job.
What should I do?

VK, Birmingham

Ashleigh says...

CARRY on bonking. Your boss has probably had exactly the same experience!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week ASHLEIGH GEE has been reading through your letters. And here's her advice for you...

My girl insists on showing our sex tape to her mates

Dear Ashleigh,

I'VE been with my gorgeous girl for about six months and we have a pretty amazing sex life.

We are into bondage in a big way and enjoy dressing up and watching sex videos together.

A couple of months ago she came home with a professional movie camera that she'd borrowed from someone at work and I knew straight away what she had in mind.

I was totally turned on by the idea and we agreed to play our favourite sex game.

I pretended to be a workman who arrives at a house to find a beautiful, but frustrated and horny, housewife crying out for a good screwing.

Slurped

We set up the camera in the kitchen and she put on her sexiest nightie with nothing underneath.

I rang the bell and she let me in. I was pretending to fix the tumble dryer as she bent over in front of me, showing her bare arse.

She sank to her knees and released my hard cock before taking me into her mouth.

And she made sure the camera picked up every glistening inch of my cock disappearing deep down her throat.

She slurped on my manhood and stroked my shaft from the tip to my balls as I moaned loudly with pleasure.

We were both so turned on she could

sense I was about to come, so she withdrew her lips just in time.

Without further ado, she plunged her gaping love-hole down hard on me, taking my eight-incher to the hilt – crying out with pleasure as she rode me until we climaxed together.

The problem is I've since found out that my girlfriend made a copy of the film and has been showing it to her girlie mates.

I like her a lot, but I feel used and betrayed and I'm wondering whether to dump her.

What do you think?

GJ, Essex

Dear Ashleigh,

I LOVE giving my hubby a gobble and get all hot and horny when he shoots down my throat.

But he refuses to go down on me in return. He says it's not natural for blokes to go down there, even though he's seen male actors do it in porn films.

He says I shouldn't give to receive and should do it because I like to.

I do enjoy it, because it pleases him, but surely he should feel the same about pleasing me.

What do you think?

MG, Newcastle

Ashleigh says...

STOP your moaning. Most blokes would be pleased to be shown off like that to their partner's pals.

Ashleigh says...

TELL him to lick you out or pack his bags!

Coach driver's ride of his life with horny hen girls

Dear Ashleigh,

I'M a coach driver and I recently took 30 horny women on a hen night.

During the journey to a city nightclub the girls got merrier and merrier as they got stuck into a never-ending supply of Prosecco, so eventually we pulled into a service area for a piss stop.

As I was about to get off the coach to have a leak myself, this blonde cracker with big tits grabbed me by the bollocks and led me to the cramped toilet.

Moments later, she was sucking me off expertly. As I was about to shoot my load, she whipped my cock out of her mouth, sat me on the bog and then started riding me for all she was worth.

Fingering

When we'd finished I opened the bog door and couldn't believe my eyes. There was now a queue of 10 randy women!

I couldn't believe my good luck and quickly rose to the challenge. I ended up shagging, fingering or licking out all of them.

When the bus arrived at our destination, one girl said that she wanted to be "f**ked silly" on the back seat, so I took her from behind and all the girls cheered when I came.

Unfortunately, on the way home they were all too busy throwing up to give any more blowjobs, but it was some trip!

HF, Glasgow

Ashleigh says...

SOUNDS like you had the ride of your life!

Dear Ashleigh,

I'M a married man in my mid-40s and I make love to my wife two or three times a year.

But the youngsters these days seem to be bonking every minute of the day.

We live near a row of shops that include a takeaway and an off licence.

On weekend nights gangs of boys and girls gather outside – smoking, drinking and swearing like troopers.

And some of them go around the back and have intercourse.

I can see the rear of the shops from my back bedroom window and I often sit there for hours with my binoculars watching these sordid goings-on.

I have seen full sex, heavy petting, oral sex and even some doggy-style action – and I think it's bloody disgusting.

One particular big-boobed girl often leads boys around there, kneels before them and gives them oral to completion.

I've mentioned it to the wife, but she just says they're youngsters having a bit of fun.

Should I tell the police?

DH, Devon

Ashleigh says...

YOU'RE not fooling anyone. You're just a Peeping Tom!

#MY SEX FANTASY

...WITH
LUCY LI,
34D, FROM
NEWCASTLE

**'Just as I relax
she slaps my
bum and bites
my nipples...'**

I'M bisexual and my wildest sex fantasy is being seduced by a fit, dominant, pretty, older woman.

She would be a super hot brunette with killer curves along with tattoos and body piercings that make her look edgy.

This cheeky minx wears skin tight leather pants and a plunging top showing her ample cleavage.

As soon as we meet, say in a club, she shows me she's super confident and makes all the first moves.

Then she takes me home to her place where she really shows me who's boss.

This gorgeous MILF then orders me to strip naked and do exactly as I'm told.

She handcuffs and then blindfolds me. This brings out the submissive in me and I'll do anything to please her.

I feel vulnerable as I'm totally starkers, tied to a chair and unable to see what she's about to do to me.

She kisses and caresses me gently and just as I relax she slaps my bum and bites my nipples.

This sexy woman teases me until I can't take any more then, when she's got me begging, she goes down on me... and boy, it was worth the wait!

#HOT'N'HORNY

nicole SMITH

NAUGHTY Nicole Smith is a bit of an exhibitionist but the pre-Christmas drop in temperature has forced her to come up with other plans.

The stunna, from Kent, loves bonking outdoors, but the cold

weather has put a stop to all that.

Nicole said: "I love the thrill of outdoor sex but it's getting cold now and my 36C boobs can't handle the icy weather."

"That said, I once shagged a fella in a hot tub while it was

snowing. We stripped naked and took a dip and things escalated pretty fast.

"I was soon bouncing up and down on his hard cock and the jets of water on my clit had me gushing in minutes!"

SHOW ME THE HONEY!

SAM FOX

RETAIL worker Freddie Carter says there's only one thing that'll get him through busy Christmas shifts – glamour legend Sam Fox.

Freddie, 52, will be working non-stop in Glasgow over the festive weeks and needs the pic of Sam to get him through.

He said: "The busiest time of the year is Christmas. I'll be in work at 5am on Boxing Day, so I need some light relief."

"I might get stressed out, but if I've got a naughty photo of Sam I can always sneak off and give myself a Christmas treat while ogling her 36C boobs!"

WELCOME to the interactive Midweek Sport – where YOU get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – **UNIQUE** to British newspapers – is totally FREE!

All you have to do is drop us an email to request@sundaysport.co.uk telling us why you want to see your favourite girl, then sit back and let us do the rest.

LISA FORWARD

ENGINEER Bradley Brown can't stop staring at Fulham babe Lisa's perfectly formed 34C puppies.

The 25-year-old, from Grimsby, says Lisa's norks are his idea of a perfect pair – and he wouldn't change a thing.

Lisa looks sensational in this bare-boobed snap and Bradley has never been happier to see a topless photo.

He said: "She's a dream is Lisa and those boobs are an absolute knockout."

"I'll be using all my Christmas holidays to ogle this photo – I can't wait!"

BARBER Simon Fulwood might be busy snipping his clients' Xmas haircuts, but he's hoping glamour girl Jessyca Wilson is underneath his tree this Christmas.

The 29-year-old, from Southport, would love to unwrap the Leeds babe on Christmas Day.

He said: "Jessyca is a corks, a stunning lady. If she was under my tree on Christmas Day, the turkey wouldn't be the only thing getting stuffed.

"And if she turns up in a sexy festive outfit with those perfect 34D norks hanging out, I won't be able to keep my hands off her."

ZOE MORRELL

HORNY hottie Zoe Morrell has a bucket list of sexy antics – and a threesome with two blokes is the next one she wants to tick off.

Zoe from Colchester, Essex, has already experimented with a number of lucky ladies but it's two fellas she wants in her bed.

The 32E lovely says she enjoys the touch and taste of another woman but she still has a hunger for cock.

She said: "I love the sensual feel of a woman's body next to mine. It's fun sleeping with a woman."

"In the past, I've had a few too many drinks and got carried away with a girl."

"But it's so exciting to experiment!"

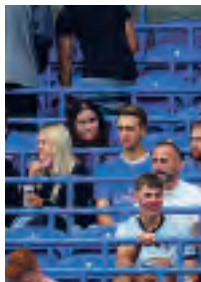

"I had a threesome once with another girl and a guy. It was really horny!"

"I've never had a threesome with two guys so perhaps that's next on my hanky panky to-do list!"

"I went through a phase of being bi-curious but ultimately I realised that I prefer cocks!"

ON THE RAILS: Chelsea

Standing is back at the Bridge

CHELSEA are the latest football club to trial safe standing.

Next month's clash with Liverpool at Stamford Bridge will see rail seats used for the first time.

They are being installed in the Shed and Matthew Harding stands.

Fans will have seats in those areas but will be allowed to stand during the match.

A club spokesman said: "Should they wish to they can remain seated but they must be aware that surrounding fans may stand and there is no dedicated area only for those who wish to sit.

"The trial does not extend to Champions League games. Rail seating will operate as previously this season for matches in that competition.

"It should be noted that standing in any other areas of the stadium is not permitted."

Standing has been banned in top-flight English football for the past 25 years.

The rail seats at Chelsea and other clubs including the Manchester clubs will be allowed on a trial basis.

Palace try a Con job

CRYSTAL Palace boss Patrick Vieira says he will do all he can to keep hold of Conor Gallagher.

The 21-year-old is on loan from Chelsea but has been in sensational form for the Eagles.

He has broken into the England squad and scored a cracker against Everton at the weekend.

He has managed six goals and three assists from midfield this season and Palace fans would love to keep him when his loan runs out.

Vieira said: "We don't think about what will happen in the future.

"We have Conor for a year and we are pleased to work with him. I think he is really happy at our place, because being here has allowed him to perform at that level.

"It is a win-win. We will see what happens at the end of the season.

"He is a fantastic player to have. He gives everything to the team and he can score goals. To have a midfielder who can score goals is important."

LIVERPOOL MUST LEARN TO BE LESS

KLOPP'S BACK TO BASICS

Anfield defenders get a rocket

JURGEN Klopp has given his misfiring defenders a kick up the backside.

The Liverpool boss is not happy with some of the mistakes that have hit his team in recent games.

It cost them a goal but no points in the Merseyside Derby at Everton when they farted around with the ball at the back.

But it could have seen a win slip away against Aston Villa at the weekend.

Struggling

Goalkeeper Alisson Becker hit a clearance into the back of Joel Matip that should have led to a penalty when the keeper tangled with Danny Ings.

Klopp was not happy to see that pressure put on the team and the opposition given a boost.

As Liverpool face struggling

By PAUL THOMAS

Newcastle at Anfield on Thursday night, he wants to see that stamped out. Klopp said: "We had these misunderstanding moments.

"First half against Villa was all right. I think Virg had one. "They were the biggest moments for Aston Villa.

"That shows how dominant we were that we talk about these kind of things but, yes, they were there.

"It's not easy for me to say to improve it because the weather will not get much better and I don't want Ali to be much more busy during a game to be honest so it's just something we will talk about.

"Hopefully, it will not happen again because it was actually the first time, really, but it did happen two or three times.

"That's true. I don't think it will

become a pattern or whatever for the team."

Matip and Van Dijk have formed a pretty solid partnership this season with Liverpool conceding just 12 goals in their opening 16 league games.

But that's a couple more than both Manchester City and Chelsea so Klopp may choose to give Ibrahima Konate more time in the middle of the back four.

Tough

The 22-year-old Frenchman arrived from Red Bull Leipzig in the summer and has looked a little shaky in some of his performances for the Reds.

Konate admits it was a tough call about moving from Germany where he was an established first-teamer to come and fight for his place at Anfield.

Liverpool have Van Dijk, Matip

and Joel Gomez as international stoppers along with the likes of Nat Phillips who featured a lot during last season's injury crisis.

But Konate says he wanted to challenge himself.

He added: "I said, 'Yes, if you come here, OK it will not be easy but you know you.' I know myself, I know I love to work, and I love the challenge of this club."

"Because yes, if I come here it's a big sacrifice because I know at Leipzig for sure I will play all the games in the season, but is this good for me or not?"

"Because maybe at Leipzig I would not work more, because maybe in myself I will say, 'Yes, OK, I will play every game, I don't need to work more."

"If I go to Liverpool, you don't have the choice. If you don't play you have to go to the gym more than the other players, for work and work and

maybe to become better than the other players.

"I said, 'Yes, I need this' for it to always be in my head that I am not sure."

"If you are sure in your life sometimes you take something less. You need something that will keep pushing you every day, every day. I took this decision to come to Liverpool also for this."

Mate

"And I said also, come here and I will train every day with the best players in the world and every player dreams of this. I thought, 'I have to come here.'"

Konate also says that having a big mate at Anfield in Naby Keita was a major factor in the move.

They played together at Leipzig and he convinced that Liverpool was the right place for him. Konate said:

"I don't have the words to describe what he did in the German league, it was amazing."

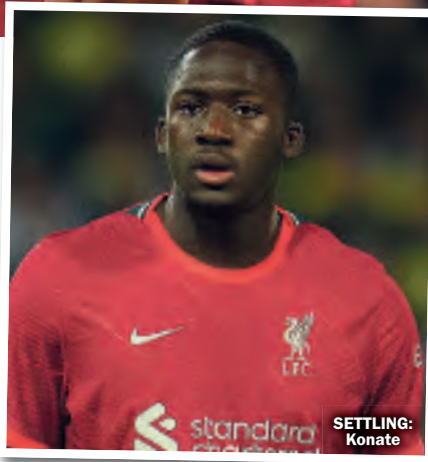

"Yes, I spoke a little bit with him. I never asked about the city because I come here for my job, to play football. I don't speak with someone for going out. No, I don't need this."

"But yes, of course, if I speak with him it's about: how is the club? How is the mentality of the club? How are the players? How is the coach?"

"Because if you don't know someone he can say everything, anything, 'Yes, I am like that.'"

"But you have to speak with someone who has been with him a long time, because he will tell you the truth. And yes, of course I asked some questions."

"I am very happy to be here. When we are in the dressing room we love everybody, and I think we don't have players with arrogance, we don't have this here, and I love this."

Warner

Warner waits on cracked rib for day-nighter

CRICKET: THE ASHES

AUSTRALIA are sweating on the fitness of star batsman David Warner for the second Test of the Ashes series.

The opener got a crack on the ribs during the home side's victory at the Gabba last week. He hit an impressive 94 in the first innings but couldn't bat second time around.

Team-mate Travis Head is confident Warner will be fit. He said: "I flew home with him a couple of days ago. His family have come into Adelaide which was nice. And he felt like he was in a good space."

"Obviously he was a little bit sore, we didn't take any risks with him only needing 20."

"He was going to bat but in the end our bowlers did a fantastic job to give him a day off."

"So I think for him it was just rest. I think he's ready to go. So no issues for David."

FUMING: Ben Stokes

Rubbing

England have got injury worries of their own with Ben Stokes' knee causing concern.

The all-rounder says he's raring to go for the day-night game at Adelaide which starts in the early hours of Thursday UK time.

He added: "People will have seen me rubbing my knee from time to time when I was in the field, but rest assured I'm fine."

"It is an old injury that flares up every now and again, but I know how to manage it."

"It just gets a little bit uncomfortable every

now and again in and around my cartilage."

"But it just looks worse than it is by the way I try and get off it as soon as I can."

In his usual style, Stokes is beating himself up for a modest performance in the opening Test match.

He said: "Having a long break is going to show itself I guess, but there are no excuses from me."

"I didn't do anything whatsoever except take a catch and bowl a few no-balls, so the one positive is that I probably can't get much worse than that."

England have a tricky selection to make around their spinning option.

Seam bowlers should make hay with the pink ball under lights but skipper Joe Root suggests either Jack Leach or Dom Bess will play.

He said: "Spin has generally played a good factor in recent times on this ground, especially as the game progresses, so it's something we'll have to look at."

KYOGO FOR MORE GOALS

CELTIC hitman Kyogo Furuhashi says his good start in Glasgow is not enough for him.

The Japanese striker has banged in 14 goals for the Hoops in all competitions but he's far from satisfied with that tally.

He said: "First of all, as a team we are looking to win the Championship.

"Personally, I want to score at least 20 goals. I have been missing opportunities a lot, I want to score goals to support the team.

"On top of that, I also want to be more aggressive when it comes to defending to support the players at the back."

And the way Celtic play under Ange Postecoglou suits his style. He said: "His style of constantly keeping the ball at the front is delightful and enjoyable for me."

CHRISTMAS CHAOS

Clubs fear shutdown as COVID strikes

COVID is threatening to wipe out the whole Christmas football programme.

The Omicron variant is sweeping quickly through the Premier League with some clubs fearing the season will have to be halted for WEEKS.

There are more players with infections now than at

any time since football was stopped in March 2020. Cases are approaching the 50 mark and rising.

Fixtures have already started to be called off with Tottenham missing two games after being hit by the variant.

And Manchester United had to KO their clash

against Brentford due to an outbreak.

Aston Villa and Norwich are also struggling with the virus.

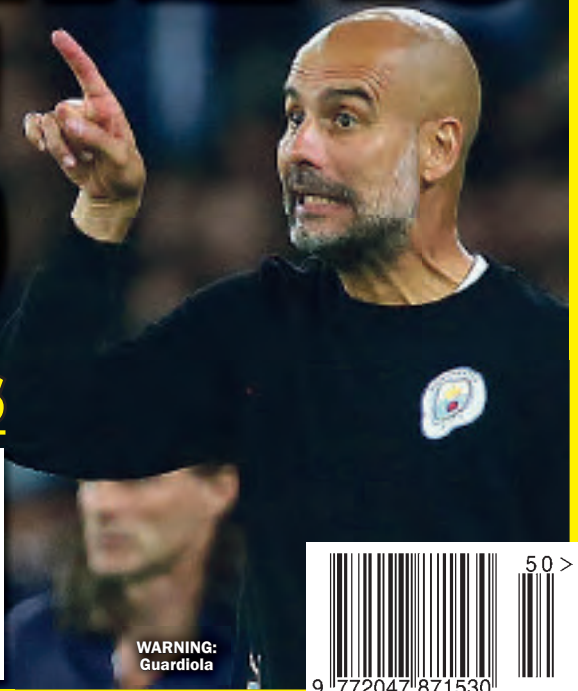

Training grounds have been closed and there are real fears that the busy Christmas period will be badly affected.

It has emerged that most Premier League sides are way behind in boosting

their players with many not having been jabbed at all.

Man City manager Pep Guardiola is urging his players to hurry up and get boosted.

He said: "The doctors suggest we have to do it. Most of us have had it already and I think the players have to decide if they are going to do it."
